

College Enrollment: Steps to Complete your UNIVERSITY Enrollment

Each university requires the following to be completed and submitted to complete the enrollment process and register for college classes.

MENINGITIS VACCINATION

- Every college/university requires an updated meningitis vaccination and a copy of the shot record.
- Some universities require the submission of this updated information before a student can apply for campus housing.
- All universities require this updated document to be submitted before the student can sign up for their college classes.
- Submission of the updated meningitis shot record will vary depending on which college/university you plan to attend. (via email, mail, submission through college portal)
- MCV4 Vaccinations can be received at your doctors office or a local pharmacy.

COLLEGE READINESS PLACEMENT TESTING

- Test that determines the academic skill level in order to place the student in the correct college level English and Math courses.
- **Placement Testing:**
 - **TSIA2 Test:** This can be taken at your local community college, university, or high school (if offered). Visit the Maverick U website in the seniors section for instructions on how to receive your TSIA scores.
- **Placement Testing Exemptions:**
 - **SAT** score of 480 on reading and 530 on math.
 - **ACT** composite score of 23 with subscore of 19 on math and reading.
 - Completed **Texas College Bridge** coursework/certificate. The university must accept TCB in order to use as an exemption. Check the TCB website for participating universities. Once the course is completed, certificate of completion will need to be sent to the college.
- Students are responsible for retrieving and submitting any of the above documentation to the college before being able to register for classes.
- **Your TSIA2 scores can be found at accuplacer.collegeboard.org. You will need to create an account to retrieve your scores.**

ADDITIONAL REQUIREMENTS TO COMPLETE FOR COLLEGE ENROLLMENT

Campus Housing (if applicable)

- Research housing options. Each university has different requirements.
- Select housing EARLY!
- Check for housing deposits and deadlines.

Sign up for Orientation and Register for Classes

- Check your college portal and email about signing up for orientation. The earlier the better!
- The sooner you register and attend an orientation session, the better chance you have of getting the classes and professors of your choosing.
- Be sure you submitted all the necessary documents requested by the university before attending orientation.
- You will meet with a university advisor at orientation to assist you in registering for your classes.

Accept or Decline Financial Aid Package

- You will find your financial aid award letter in your college portal once ready. This will tell you all the aid you will be receiving to help pay for college. You have the decision to accept or decline any aid offered. Never decline FREE money!

Request Final HS Transcript

- In May, you will submit your final HS transcript request to be sent to the university you will be attending.
- You will receive instructions from your HS on submitting this request.
- Your final transcript will be electronically sent by the PMHS Registrar in mid-June.
- If you do not request the final transcript before graduation, you will be sent to the PISD District Office as PMHS will no longer have them.

DON'T FORGET TO UPLOAD THE FOLLOWING DOCUMENTS FOR PMHS. WE WANT TO CELEBRATE YOU!

College Acceptance(s): A screenshot of any college acceptance you have received.

Scholarship Offers: Scholarship dollar amount for any scholarship(s) offered, whether you are accepting the scholarship or not. Your name and scholarship will be listed in the graduation program!

Financial Aid Grant & Scholarship: All fin-aid and scholarship totals are reported to PISD for a total amount to be announced at graduation.
